

# SANECTOR

FILLING AUSTRALIA'S BEVERAGE NEEDS

THE PREFERRED CHOICE FOR *WINE* AND *BEVERAGE* FILLING.

## WELCOME ALL MAKERS

What we do is laid out in our name.

We chose it as a waypoint to mark who we are and **what we do**. Within it you see three parts, **San, connector,** and **nectar**. **San** references where we come from and pays homage to the power of three that we're so passionate about. **Connector** symbolises the connection that we make between producer and consumer, and connection within ourselves, while **nectar** brings in our need to nurture and create.

These three parts form a larger picture and give an insight into why being well connected is so important.

**SANECTOR. THE MAKER OF MAKERS.**

## OUR FOOTPRINT

**FOUR** states. **SIX** locations.

**SANECTOR** has one of the largest footprints in the industry, we are strategically located across Australia to fulfill all maker's requirements.

From the magnificent beauty of the south west coast in **Margaret River**, to vibrant **Adelaide**, to the knowledgeable **Barossa** and **Mildura**, and the cosmopolitan **Melbourne** not too far from our crucially located site in **Sydney**.

**All working as one.** All for the greatest purpose:  
Be the **Maker for Makers**.

## OUR SERVICES

Filling, bottling, canning.  
A **full** packaging experience.

**SANECTOR** is well equipped to cater to any client, no matter where they are on their creator journey.

From entry to final sales services, our teams expertise makes the process simple.

### 1. CONNECT WITH EXPERTISE

To be well connected is more than a promise, it's what we do best. After all, our business is based on how well we can deliver, and how easy that process is for our clients.

We achieve this through monitoring and improving our touch-points across our sites. From your first interaction with **SANECTOR**, to your last, we make sure you feel comfortable with the process, reassuring you with not only our consolidated knowledge, but by living to serve and feel fulfilled by taking care of others and their creations.

## OUR SERVICES

### 2. DELIVER THE GOODS

Our contribution to our creators and makers goes beyond the devotion we deliver on every interaction.

We collaborate with our multi-industry packaging specialist, **COSPAK**, our beverage and wine closure specialist, **VINOCOR**, and our materials handling, cargo and retail packaging specialist, **JMP**, all sibling companies to solidify a creator's dream.

We are not afraid to reach out if it represents a win for our customers.

- Glass Wine Bottles (187ml to 9Lt)
- Glass Beer Bottles
- Glass Juice/RTD Bottles
- Classic and Slim line cans
- Customised print packaging
- PET Bottles (187ml up to 750ml)
- Aluminium bottles
- 6 to 12 Stand up and Lay Down Cartons
- Bottle Dividers
- Wine Closures (capsules, cork)

## OUR SERVICES

### 3. TRANSITION PROCESS

We have the wealth of experience to know what our makers need based on their circumstances. We add that which can't be bought or measured with a dollar sign with our knowledge, precision, and integrity. Our ambition is only matched by our interconnectivity.

**SANECTOR's 6 plants** are equipped with **14 bottling lines** ranging from **1,800 to 8,000 bph** filling:

- PET bottles
- Glass bottles
- Aluminium bottles
- Sparkling wine (both Charmat Method and in-line carbonation)
- Low and no alcohol wine
- Table wine
- RTD's
- Non-alcoholic beverages

**1 canning line** with **2 x fillers and seamers** rating **12,000 cph** filling:

- Classic Cans
- Slim Line Cans

## OUR SERVICES

### 4. VERIFICATION THROUGH SCIENCE

While we work together to create beautiful products, our experts in their white coats strive for scientific brilliance.

Each of our facilities enjoy **state of the art laboratories** dedicated to delivering equipment and services that form the core of our bottling/filling experience.

A **simple**, but **essential** promise.

- DMDC addition for total microbial control
- Chemical and micro laboratory
- Cold stabilisation and filtration
- Technical analysis
- Wine carbonation
- Tank ferments
- Bag, lenticular and membrane filtration
- Cross flow filtration

### 5. BEYOND THE PRODUCTION LINE

Your peace of mind is our promise as we round out your **bottling/filling** experience with us. We know trust and reliability are cornerstones to our value, and **we take this seriously**.

Our strong network and our well trained problem solvers exist to ensure your precious product arrives spectacularly.

- Full product recall identification procedures
- Organising specific bottling/filling components
- Warehouse Services
- Logistics and export-ready services
- Secondary/Specialty packaging

## AN EFFICIENT SYSTEM OF CONNECTIONS

**Well connected is more than a promise, it's what we do best.**

After all, our business is based on how well we can deliver, and how easy that process is for our clients.

We collaborate with our multi-industry packaging specialist; **Cospak**, our beverage and wine closure specialist; **Vinocor**, and our materials handling, cargo and retail packaging specialist; **JMP**, to solidify a creator's dream.

Supported by an integrated network of local and international industry leaders, **SANECTOR** is stronger than the sum of its parts.
